SUMMARY

I am Himanshu Devaiya, an MCA student at Silver Oak University with a strong foundation in programming and web development. I hold a BCA degree from Gujarat University and have gained hands-on experience through academic projects and self-learning in technologies like C, C++, Core Java, JavaScript, ReactJS, Node.js, Express.js, MongoDB, SQL, HTML, and CSS. Passionate about developing innovative solutions, I aim to leverage my technical expertise to contribute effectively to dynamic projects and grow as a full-stack developer.

EDUCATION

Master of Computer Application Silver Oak University	Ahmedabad, Gujarat June 2024 - Now
Bachelor of Computer Application Gujarat University CGPA: 7.81	Ahmedabad, Gujarat April 2020 - May 2023
12th Grad / Higher Secondary School (Commerce Stream) Sahjanand School Percentage: 73.85%	Ahmedabad, Gujarat May 2019 - March 2020

PROJECTS

Real Estate Web Application

Technologies: ReactJs, Node.js, ExpressJs, MongoDB, Tailwind CSS, Vite

Key Features

- Developing a full-stack real estate web application to streamline property listings, search, and user management.
- Implementing a responsive front-end using ReactJS and styled with Tailwind CSS for modern and clean UI design.
- Implementing a responsive front-end using ReactJS and building RESTful APIs with Node.js and Express.
- Working on user authentication and role-based access, ensuring different experiences for signed-in and non-signed-in users.
- Integrating MongoDB for efficient property data storage and retrieval.

TECHNICAL SKILLS

Programming Languages: C, C++, Core Java, JavaScript

Web Development: HTML, CSS, ReactJs, Node.js, ExpressJs, Tailwind CSS

Database Management: SQL

Version Control: Git, GitHub

CERTIFICATIONS

Certificate in Java Programming	issued: December 2023
